

# TIROL KIT

The Tirol Kit recovery system is an accessory of the Ferno Titan basket stretchers developed to facilitate rescue operations in arduous environments, making transportation safer. The Tirol Kit is designed to ensure maximum ease of use: **it's lightweight and divisible.**

The Tirol Kit is available in three different configurations according to the type of handle fixing system applied on the basket stretcher:

- 21-0120-023 Tirol Kit for Titan-Ti basket stretcher with welded plates
- 21-00034 Tirol Kit with Tirol Kit Adapter (for the compatible TAPERED basket stretchers)
- 21-00035 Tirol Kit with Tirol Kit Adapter (for the compatible REGULAR basket stretchers)
